

Facts Jehovah's Witnesses WILL NOT TELL YOU when calling at your door

By MacGregor Ministries

The Watchtower Bible & Tract Society headquartered in Brooklyn, New York, USA, was founded over 100 years ago by Charles Taze Russel, who had no theological training, but adopted the title, "Pastor". His ideas were strange right from the beginning.

Early Watchtower magazines (3/15/13 & 1/15/12 reveal that he believed a person's desire to worship God was due to the shape of their brain. He believed that if a dog's head were shaped like a man's, the dog would think like a man!

He offered health advice too, believing appendicitis and typhoid fever were caused by "biting worms in the colon". He promoted "miracle wheat" at greatly inflated prices. Despite all this, his followers then (and now) believed that he was God's "faithful and discreet slave" referred to in Matthew 24:45. After his death, his legacy, the Watchtower organization became this sole channel for god in the eyes of its followers.

JEHOVAH'S WITNESSES BELIEVE & TEACH:

That Jesus Christ (who is Michael the Archangel in their doctrine) its mediator for only a small, elite, group within their ranks called the "anointed remnant". Others must come to this group who control the organization and earn their salvation by absolute obedience to it.

* all religions except their's are of Satan, and your Pastor or Priest is under the Devil's control.

* the Watchtower Society is the only source of truth on earth today, and all churches teach error and will be destroyed at Armageddon.

* the cross is a a pagan symbol of sex worship, and that all buildings or persons displaying the cross are likewise pagan. Jehovah's Witnesses deny

that Jesus died on the cross. However, recent "new light" in the Watchtower Magazine now admits they are not certain about the cross, but will continue to deny it anyway.

* no one goes to heaven but 144,000 Jehovah's Witnesses, and your soul will be destroyed if you refuse to join their organization.

* the Christ child was only an "it", not a "He". See the New World Translation, Luke 2:16,17.

* Jesus was not the Christ (or Messiah) until age 30, even though their own bible says in Luke 2:11, "because there was born to you today a Savior, who is Christ the Lord."

* after Jesus was buried in the tomb, Jehovah dissolved his body into gasses and it disappeared forever.

* Jesus rose invisibly in three days, so Jehovah had to "materialize" a fake body for him complete with fake nail prints so His disciples would believe it was really Jesus rise.

* Armageddon and Christ's second coming were foretold to happen in 1874, 1914, 1925 and 1975 by this "non-prophet" organization.

* when Christ failed to show up in 1914 the Society claimed in later years that He had come -invisibly- of course, and all Jehovah's Witnesses believe this today.

* Abraham, Isaac, and Jacob etc., were to be back on earth as perfect humans in 1925. The Society built a palatial home for them BUT when the patriarchs failed to show up, the President of the Society moved in.

* their light gets "brighter and brighter", allowing for the many changes and "about faces" on their doctrines. Yesterday's error is today's "truth". Often the "light" bounces back and forth from old to new views and back again! Does real light return to darkness?

* the Watchtower Society and its followers are all prophets of God today and the Governing Body is directed by angels from God.

* salvation for Society members consists of doing the good works of selling Watchtower books and magazines and winning converts.

* soon Jehovah God will become a GRANDFATHER and Jesus will be promoted to "EVERLASTING FATHER"!

*Jehovah God is not omnipresent, but still Almighty. Think! How can this be?

THEY HAVE NOT BEEN TOLD - BY THE LEADERSHIP OF THE SOCIETY...

THAT when they translated their New World Translation of the Bible they deliberately altered almost every scripture on the deity of Christ, to make him only a creature.

* the Society used a translation by a SPIRIT MEDIUM, Johannes Greber, to support their rendering of John 1:1 with full knowledge that his sources were DEMONIC. Greber was exposed in the Feb. 15/56 W.T. However in 1961 they released a translation based on his occult one, then denied they knew what they were doing on page 32 of the Apr. 1, 1983 Watchtower!

* none of their "translating committee" knew Biblical Greek or Hebrew. No scholars at all.

*Fred Franz, who for many years headed the Society, perjured himself under oath in Scotland in a court trial, by saying he could read Hebrew, and then failing a simple Hebrew test.

* the date 1874 was taught for Christ's invisible presence by the Society until 1929. (See their book, "Prophecy", page 65, sold until 1941). Also WT Jan 1, 1924, pg.5.

* top executives of the Society have admitted under oath that they forced their members to accept false prophecies or face disfellowshipping and be found worthy of death.

* true salvation is FREE (Eph. 2:8,9), and consists of receiving Christ as your Savior. (John 1:12, John 6:28,29).

IN SUMMARY

We find the Watchtower Society practicing their belief that it is proper to deceive people. But they say this really isn't lying. Why? Because the Society has a different definition of lying than most of us. In their book "AID TO BIBLE UNDERSTANDING" under the word "LIE" we read:

"Lying generally involves saying something false to a person who is ENTITLED to know the truth.." While malicious lying is definitely condemned in the Bible, this does not mean that a person is under obligation to divulge truthful information to people who are not entitled to it."

Of course it is the Watchtower leaders that decide WHO deserves to know the truth.

DO YOU DESERVE TO KNOW THE TRUTH?
